# HARDWARE

**GREY 7016**   **BLACK 9005**   **WHITE 9016**   **LIGHT SLIVER**   **DARK SLIVER**   **CUSTOM RAL**

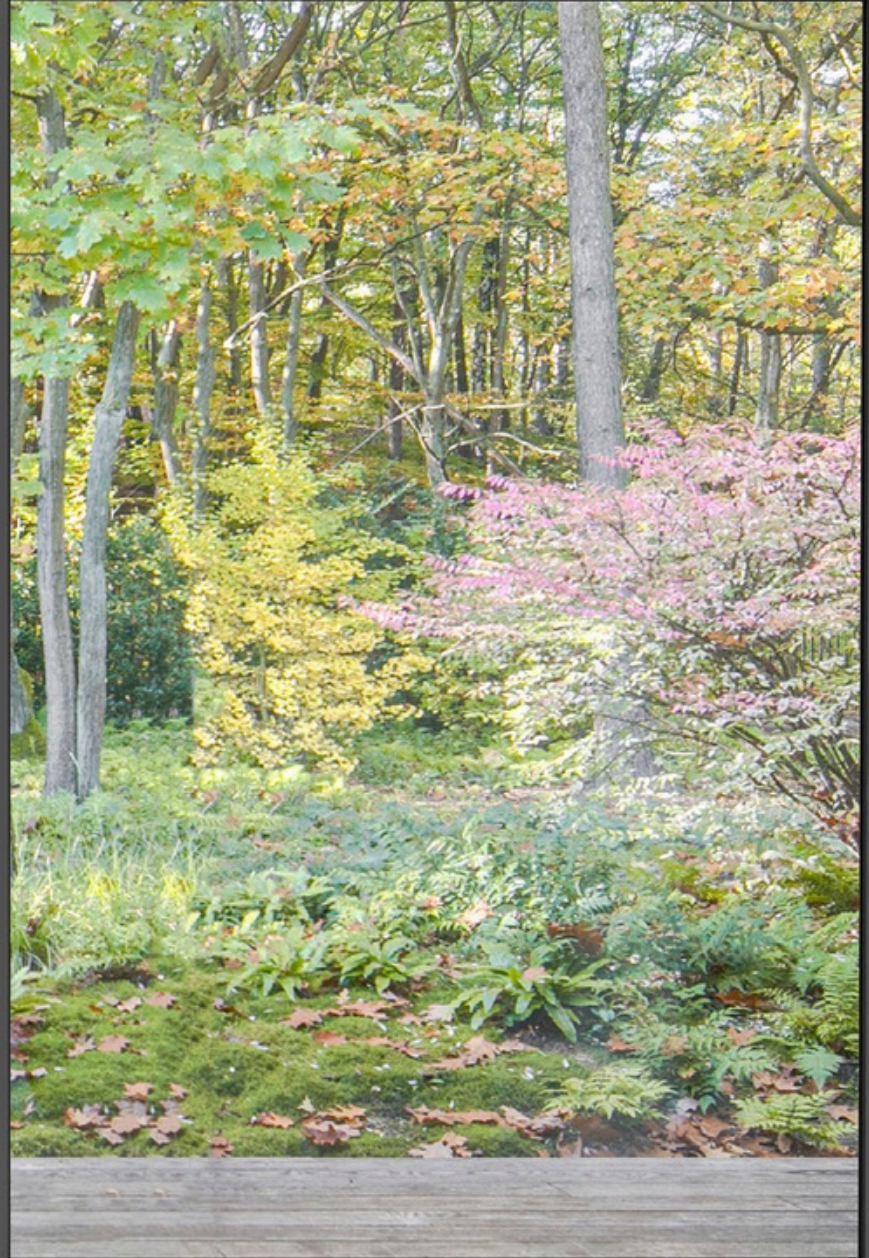

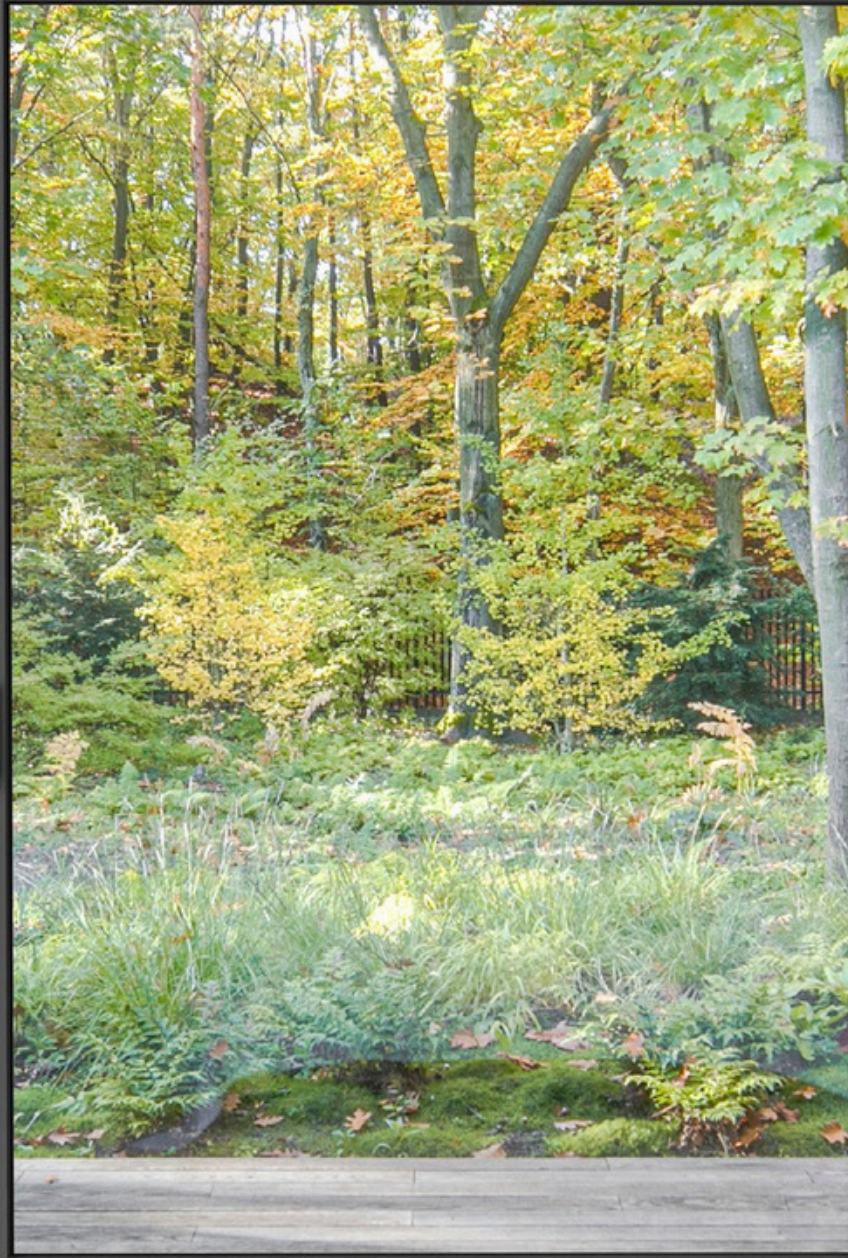

Thermally broken minimalist sliding system that provides maximum luminosity with a minimal aluminium interlock profile. It has an elegant design only 47 mm sightline and offers the possibility of an inlaid closing system and of hiding the frame along the perimeter.

Choose from a range of lever handle or a flush handle providing a sleek minimalist design. Only available with no keyed locking inside or outside.

**FLUSH HANDLE**

# GLIDELINE GO

KEEP UP TO DATE WITH YOUR  
GLAZING PROJECTS WITH  
GLIDELINE GO

**Introducing GlidelineGO** – the ultimate system designed to streamline your glazing order management process. With GlidelineGO, customers and trade partners can effortlessly create, track, and manage orders, while enjoying the convenience of approving drawings and making payments directly within the app.

Efficiency and ease-of-use are at the heart of GlidelineGO. Whether you're an architect, contractor, or glazing professional, this powerful app empowers you to take control of your glazing projects, ensuring a seamless experience from start to finish.
